Xperion 6000

LED work lights

**Built for
professionals**

Discover our **Xperion 6000** LED work lights

Philips Xperion 6000 LED work lights were conceived, engineered, and built for auto service professionals.

With their state-of-the-art Philips Xperion LED chips, incredibly rugged construction, and innovative features such as 360° rotating hooks, hinged light panels, and multiple illumination modes, these lights are designed to deliver years of reliable service and brilliant illumination in shop bays and anywhere superior lighting is needed.

The Philips Xperion 6000 LED work light line includes six hand-held lights, two flood projector lights, an under hood extendable light, a wearable headlamp, a multi-dock charging station, and the Find My Device accessory.

Xperion 6000 UV Pillar

Advanced lighting performance that lasts

Our premium work light, the Philips Xperion 6000 UV Pillar, is a multi-purpose work light with exceptionally long battery life. It features three light sources – a main light that’s rated CRI95 for critical color matching, a UV inspection light, and a 180 Lumens Spotlight.

Xperion 6000 Pillar

Work all day on a single charge

The Philips Xperion 6000 Pillar LED work light lasts all day on a single charge. Bright 500 Lumens in Boost mode, 250 Lumens in Eco mode and built-in 180 Lumens in Spotlight will meet multiple needs. Foldable for easy carrying and adjustable lighting angles.

Xperion 6000 Flood Audio

Audio LED projector light

With its 1000 Lumens Floodlight, 250 Lumens variable beam Spotlight, the Philips Xperion 6000 Flood audio-enabled projector gets the job done. The smart-zoom knob and motion sensor simplify control, while Bluetooth speakers are music to the ears.

Xperion 6000 Flood Mini

Compact LED projector light

With its 500 Lumens Floodlight and variable beam, the Philips Xperion 6000 Flood mini projector gets the job done. The smart-zoom knob simplifies control, while resistance to impacts and water guarantees durability.

Xperion 6000 Penlight

Premium LED penlight

New!

The Penlight is ideal for quick inspection jobs. Small and rechargeable, it lets you work a full day without interruption. Designed with multiple light outputs, providing up to 200 Lumens in Boost mode, 120 Lumens in Spotlight, and 100 Lumens in Eco mode. The Penlight features a 45° rotatable magnetic clip as well as a battery-status indicator.

Multi Dock Station

Docking station for charging multiple devices

The Philips Multi Dock Station is an accessory for the Xperion 6000 LED work lights. Placed on a table, it can charge two devices at a time or simply act as a storage point.

- LED indicator to show charging status
- Dedicated spaces for the Find My Device remote control
- Compatible with Philips Xperion 6000 UV Pillar, Pillar, Pocket, Slim and Flood Mini models

Find My Device

A handy way to find misplaced devices

With the Philips Find My Device accessory, you can trigger an audible buzzer and a flashing light, to find most lost Philips Xperion 6000 devices. It works up to 32 feet.

- Find My Device is sold separately for UV Pillar, Pillar, Slim, and Flood Mini models
- Insert the plug-and-play chip into the work light's body
- Use the Find My Device to locate your misplaced Philips Xperion UV Pillar, Pillar, Slim, and Flood Mini work lights
- Carry the remote control on your key chain or place it in the Philips Multi Dock Station
